

## Strategic Ministry Planning: A Biblical Framework Worksheet

© Phillip Butler

What is the “finish line” for your ministry, project, or initiative? How do you know you have been successful? In John 17:4, Jesus makes this remarkable statement; “I have brought you glory on earth by finishing the work you gave me to do.” (NIV) Near where Jesus was praying, there was brokenness of all kinds. And, His disciples would soon abandon and even deny Him. Clearly, Jesus understood His “finish line.” This worksheet may help you approach your strategic planning from a different perspective; one rooted in Scripture. It can be both challenging and rewarding .
